### **Appointment of Two Non-Executive Directors**

**London, UK, 10 May 2021:** Shield Therapeutics plc (LSE: STX), a commercial stage, pharmaceutical company with an initial focus on addressing iron deficiency, is pleased to announce the appointment of Fabiana Lacerca-Allen and Anders Lundstrom, as Independent Non-Executive Directors of the Company with immediate effect.

Mrs Lacerca-Allen is currently Senior Vice President, Chief Compliance Officer at Aimmune Therapeutics based in San Francisco, California (a Nestlé Health Science Corporation since October 2020). She brings to Shield extensive experience in compliance having started and implemented compliance programmes at several major pharmaceutical companies including Merck, Sharp & Dohme, Bristol-Myers Squibb Company, Mylan Laboratories and Elan Pharmaceuticals. Mrs Lacerca-Allen was also a non-executive director at ArthroCare Corporation, a publicly traded company in the medical device sector prior to its acquisition by Smith & Nephew in 2014. Fabiana holds a masters in law from the University of California, a Doctor in Law and a Bachelor in Law from the Universidad de Buenos Aires and is the recipient of several international recognitions and has been published extensively in areas of leadership and compliance. Mrs Lacerca-Allen will become a member of the Group's Audit Committee.

Mr Lundstrom is currently Executive Vice President and Chief Commercial Officer at Banner Life Sciences where he is planning and executing a US launch of a novel fumerate, Bafiertam, for the treatment of Multiple Sclerosis. He has over 25 years' experience in the pharmaceutical industry and has held senior commercial roles in AstraZeneca, Biogen, Orexo AB, where he was President and CEO from 2011 to 2013, and EMD Serono. Mr Lundstrom will join the Remuneration Committee, replacing Rolf Hoffmann who, as previously announced, is not seeking re-election at the next Annual General Meeting.

**Hans Peter Hasler, Chairman of Shield Therapeutics plc, said:** "I am delighted to welcome both Fabiana and Anders to the Board of Shield. Fabiana's extensive experience and knowledge of the pharmaceutical industry and her US compliance experience along with Anders' extensive experience and knowledge of the pharmaceutical industry and his US commercialisation experience will significantly strengthen the current Board structure whilst Shield prepares for the US launch of Accrufer®.

We would like to take this opportunity to thank Rolf for all that he has contributed to Shield through his knowledge, commitment and support over these last 3 years and we wish him the very best of luck."
